The screenshot shows the top navigation bar of the WIPO website with links for Media, Meetings, Contact Us, IP Portal, and English. Below this is a secondary navigation bar with links for IP Services, Policy, Cooperation, Resources, About IP, and About WIPO, along with a search box. The main content area features a breadcrumb trail: Home > IP Services > Alternative Dispute Resolution. The title of the page is 'WIPO Checklist for the Online Conduct of Mediation and Arbitration Proceedings'. The first section is 'Preliminary Considerations', which includes a question: '1) Do the WIPO Mediation, Arbitration and Expedited Arbitration Rules (WIPO Rules) address the online conduct of proceedings?'. The answer explains that the WIPO Rules allow for online proceedings and that the WIPO Center's experience includes online mediation meetings and arbitration hearings. It also mentions that preparatory conferences can be held in various formats, including online tools. A second question is partially visible: '2) Is it possible to conduct WIPO Mediation and Arbitration proceedings in a hybrid format?'. Below this is a section titled 'Choice of Online Platform' with a third question: '3) Are parties, mediators and arbitrators in WIPO proceedings free to choose the online platform they wish to use for their proceedings?'. The answer states that parties, mediators, and arbitrators are free to agree on the online platform(s) they wish to use, with examples including WebEx, Zoom, Teams, Bluejeans, WhatsApp, and Skype for Business.
